MARTIN WALTER LTD., FOLKESTONE, announce the new

TRAILER-DORMOBILE

now on show at the Camping & Outdoor Life Exhibition, Olympia, London, on Stand No. 219.

Famous the world over for their DORMOBILE Motorised Caravans and the largest builders of dual-purpose coachwork in the world, Martin Walter Ltd. of Folkestone, now announce their TRAILER-DORMOBILE. After much experiment and trial, they offer something entirely new in the form of sleeping and camping accommodation for two adults.

Briefly, the Martin Walter TRAILER-DORMOBILE comprises a light two-wheeled chassis, build in 'A' formation, of mild steel rolled channel, and a body constructed in high grade resin bonded ply reinforced with mild steel angle and flat sections, and edged with aluminium, measuring 76" x 46" x 14", finished in clear varnish. The interior has a detachable and folding platform carrying deep foam cusions, which form a luxury bed for two or settee for three.

A folding canopy of reinforced P.V.C. material, supported on light tubular framing, gives a rapid conversion to an all-enclosing tent, with an added ground area of 72" x 50" and an interior height of 74". Erection of this canopy is extremely quick and easy.

Fittings included stop and tail lights, reflectors, ropes

.....

cleats, samson pegs, skewers, mallet, etc. The chassis's independent rubber suspension requires no maintenance. Fitted with wheels 8" integral with 1" dia. ball-bearing hubs with mudguards of moulded rubber. Four tubular telescopic jacks are supplied. Weighing under 2 cwts. the TRAILER-DORMOBILE can be towed by the smallest cars, [illegible] Measuring only:-

Overall length 106"
" width 60"
Towing height only 29"

the compact size of the TRAILER-DORMOBILE, when folded down for travelling, with the foam rubber mattresses, cooker, camping equipment, table, chairs, etc., all stowed under the waterproof cover provided, leaves the driver's visibility to the rear of his car entirely unobstructed.

The TRAILER-DORMOBILE, when required as a Caravan, has sleeping accommodation for two adults, the deep foam rubber mattresses giving comfort of luxury standards, measuring 76" x 46", while in use as a settee, there is seating in comfort for three persons.

There is ample storage space beneath the mattresses for bedding and camping gear, cooker, table and chairs, etc.

With the entry flap closed, the canopy provides excellent weather protection, privacy when sleeping and dressing, etc.

The canopy and the folding platform supporting the bed/settee can be easily and quickly removed, leaving the TRAILER-DORMOBILE available for use as a load-carrier of up to 3 cwts.
